## RESTAURANT & BAR

In our **restaurant**, which is found in the central building of the complex, with view to the garden and pool, one can try Greek as well as international cuisine. Two meals are served daily, morning and supper in form of a buffet. Philoxenia Bungalows is famous for its rich meals that combine the creativity of the Mediterranean diet with the taste of local products. Honey and olives from Sithonia, herbs and spices from hotel's gardens, local wine and cheese are some of the ingredients that the Chef is using. The **pool snack bar** is open from morning until night, offering large variety of coffees and drinks, as well as small meals, which are served at the tables that are found in the area around the swimming pool as well as in the central building. In the evening, the atmosphere of the pool combined with tasty cocktails gives the customers the ultimate in relaxation. In Philoxenia, there are regularly organized Music Nights, during high season, at the pool area. The program includes live Greek or Foreign music from musicians, who encourage the participation of the visitors to dance. The bar and swimming pool area are ideal for organizing events, such as weddings and parties, which give a particular color to the visitors' nights.

## ACTIVITIES - EXCURSIONS

Because of its locality, Philoxenia is advisable for walks. About 20 kilometers away from the hotel, are three peripatetic ways for those who enjoy walking. For the fans of diving, there is a Diving Center just 200m from the hotel. Jeep Safari, golf, fishing, biking, beach volley and many other activities that are organized nearby revitalize or relax the guests. At 30km from the hotel, specifically at Porto Carras, there is an 18 holes golf court, which can facilitate both amateur and professional games.

Just north from Psakoudia in Ormylia (in 7km), many come to visit the Convent of the Annunciation. This convent houses over 100 nuns from around the world that dedicate their time to medical research. Many other monasteries are located near Psakoudia. The Church in Ormylia and the one in Vatopedi are also great to visit. Perhaps, the most fascinating experience for the visitor of Halkidiki is the tour of Saint Terms (Mount Athos) that is done by cruise ships. The Petralona Cave (Speleon), where the first man was discovered (Homo sapiens) is found in distance, 40 kilometers from the hotel. The tour there constitutes an unusual adventure. The conducted tour in the settlement of Ancient Olinthos, which is found in distance of 15 kilometers from the hotel, gives the visitor a flavor from the ancient Greek culture.
